

## CALIFORNIA STATE TREASURER'S OFFICE JOB OPPORTUNITY

**CLASS:** Staff Programmer Analyst (Spec)  
**TENURE:** Permanent  
**TIME BASE:** Full-Time  
**SALARY:** \$5166 - \$6793

### DUTIES:

This position is located in the Application Support section of the Information Technology Division and functions under direction of the Senior Programmer Analyst (Supervisor). This section has overall responsibility for the procurement or development and maintenance of the automated systems applications that support STO business operations. This section is responsible for analyzing, designing, constructing, implementing, testing, and maintaining client/server and Internet applications. This section maintains mastery and technical expertise in applications analysis and development tools that include relational databases, CASE, client/server, GUI and object-orientation, Web and report generators, SQL utilities, and other miscellaneous application technologies. Under general supervision, this position acts as a project leader on complex applications and/or on complex information technology system problems.

### DESCRIPTION OF ESSENTIAL FUNCTIONS:

- **Application Development:** Works with the business owners to develop detailed business requirements for proposed applications and systems. In an independent or lead capacity, analyzes, procures, develops, tests, documents, and implements complex applications and systems, and provides training to end users on the use of the applications and systems. Reviews, analyzes, and provides recommendations or solutions regarding application and system issues. Makes technical decisions and maintains a high degree of technical expertise and versatility in recommending, designing, constructing, implementing, and evaluating new complex information technology systems. Accepts the more critical and complex assignments.
- **Application Maintenance:** In an independent or lead capacity, analyzes and resolves production problems, including modifying, testing, documenting, and implementing changes for some of the more complex applications. Reviews, analyzes, and provides recommendations or solutions regarding system changes. Makes technical decisions and maintains a high degree of technical expertise and versatility in recommending, designing, modifying, implementing, and evaluating complex information technology systems modifications. Troubleshoots the most difficult abnormalities, and provides assistance in the implementation of product upgrades.
- Manages and performs activities for special projects and development efforts.

To view a copy of the duty statement, please visit [www.treasurer.ca.gov/careers](http://www.treasurer.ca.gov/careers).

### DESIRABLE QUALIFICATIONS:

- Ability to communicate effectively
- Ability to learn quickly
- Ability to work in a team environment

- Ability to work on multiple concurrent projects and respond to production complications
- Willingness to learn and expand their knowledge in new technologies
- Technical expertise in the full life cycle of application development
- Development in a Client/Server GUI environment utilizing PowerBuilder, .NET, Oracle, Microsoft SQL Server, and Web solutions.

#### **CONDITIONS OF EMPLOYMENT:**

Fingerprinting and Background Check are required.

#### **WHO SHOULD APPLY:**

Individuals who possess the qualifications listed above and are interested in a lateral transfer or have list eligibility as **Staff Programmer Analyst (Spec)**. Should you have any questions, please visit [www.jobs.ca.gov](http://www.jobs.ca.gov).

This position is subject to SROA clearance policies. Surplus employees who meet the requirements are encouraged to apply. Employees in the State Treasurer's Office and the Authorities and Commissions are encouraged to apply if interested in the position.

**PLEASE STATE THE SOURCE OF YOUR ELIGIBILITY. (I.E., LIST, TRANSFER, SROA, SURPLUS EMPLOYEE, ETC.)** If you do NOT indicate the source of your eligibility, you may not be considered for an interview. Please provide proof of meeting the educational requirements of the classification you are applying for. (i.e., college degree or transcripts of completed number of units or showing degree obtained.) Also, list the number "820-720-1581-006" on your application/resume.

#### **FINAL FILING DATE:**

State application must be received or postmarked by **June 26, 2015**. Applications will be screened and only the most qualified applicants will be interviewed. No faxed or emailed applications will be accepted.

#### **SUBMIT APPLICATIONS TO:**

Nicole Yousefi  
Personnel Office  
State Treasurer's Office  
915 Capitol Mall, Room 538  
Sacramento, CA 95814

#### **IF YOU HAVE QUESTIONS, PLEASE CALL:**
